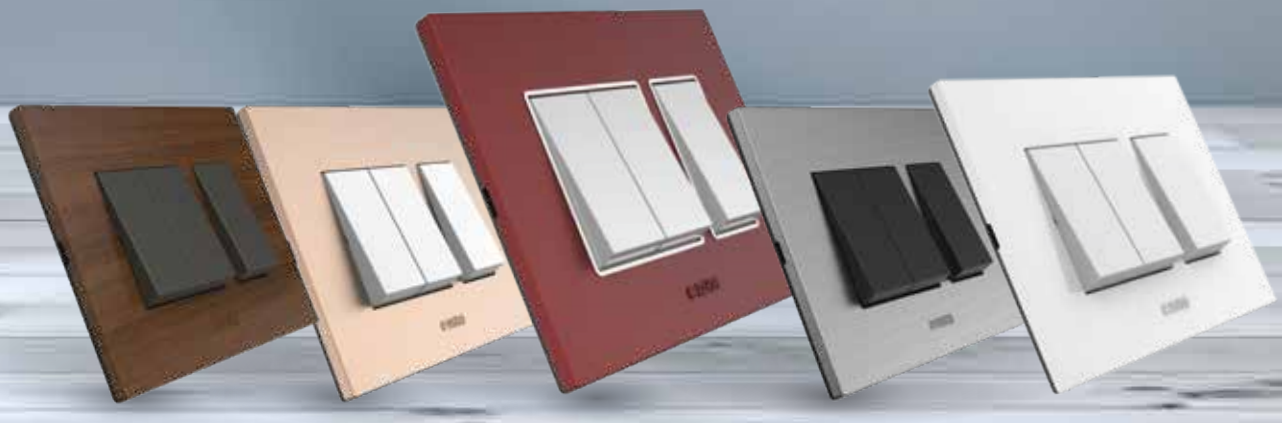
BUDGET-FRIENDLY

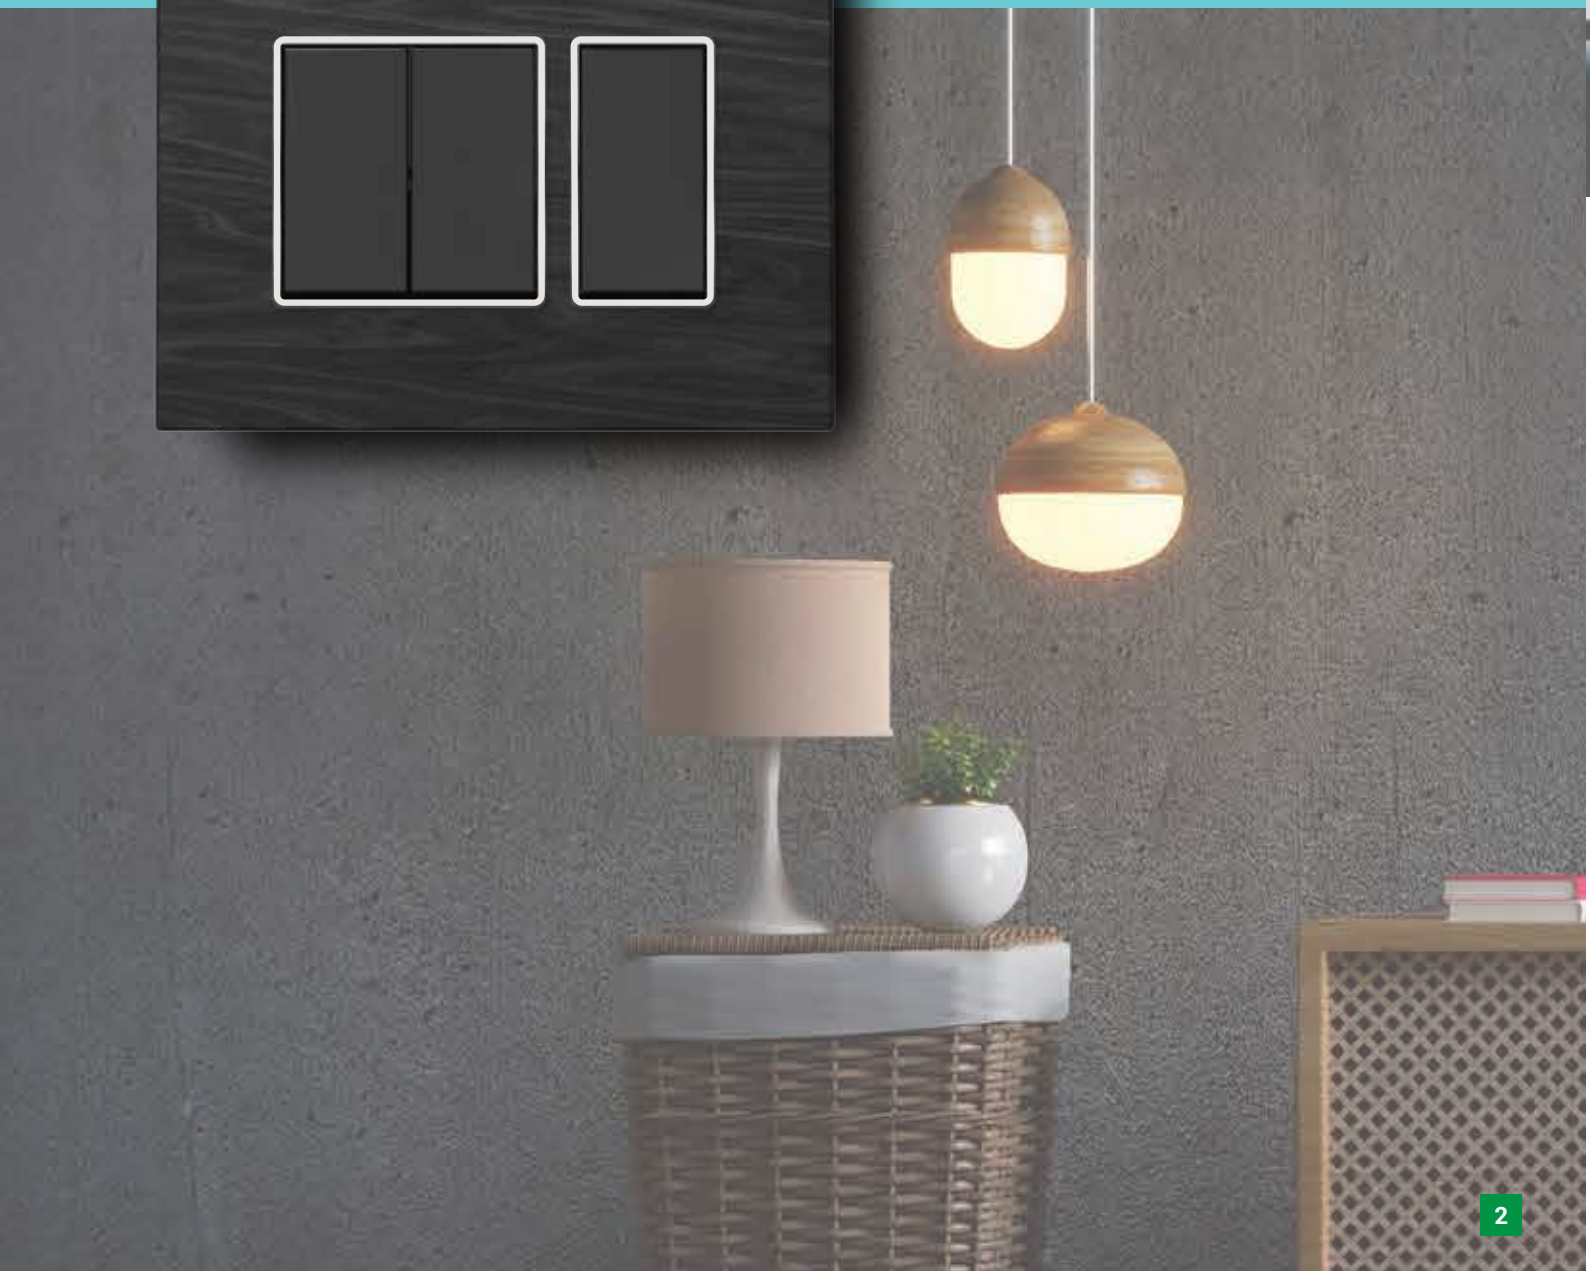


SWITCH OFF SETTLING FOR LESS WITH ETIRA!

Switch on more amazing possibilities with the new Polycab Etira range – a perfect combination of value and style.

They are available in 33 attractive mix-and-match combinations, with **3 switch colours** and **11 beautiful plate** designs. Each configuration can be installed **vertically** or **horizontally**. The result is a switch that goes beyond just function, to be a beautiful part of your décor.

What's more, the beauty of Etira switches is more than just looks. They meet the highest standards of **safety and durability.** These easy-to-install switches are **fire and shock-proof** and have been tested to withstand 1 lac clicks.



WHY SWITCH TO ETIRA?

Switch off settling for less. Switch on more amazing possibilities with the new Polycab Etira range – a perfect 4-in-1 switch!

STYLISH

Available in 33 attractive switch and plates combinations, with 3 switch colours and 11 beautiful plate designs. The result is a switch that is a mélange of functionality and aesthetics.

EASY TO INSTALL

Every configuration is easy front installation and front removal. Moreover, it can be installed vertically or horizontally according to the space available.

SAFE AND SECURE

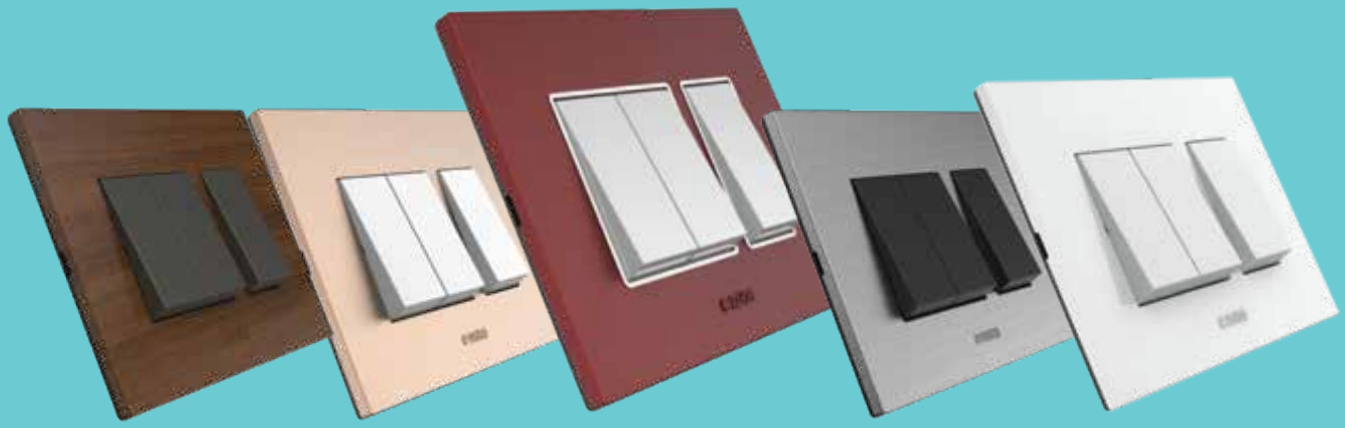
The switches are designed to meet the highest safety standards, provide complete fire-proofing, shock-proofing and overload protection too. The range is fire-resistant and is tested to withstand up to 850° C.

BUDGET-FRIENDLY

The switch range provides value for money, offering multiple attractive benefits at an affordable price.

etira

POLYCAB



FEATURES:

- Collarless design for aesthetics
- Product with front installation and removal
- Vertical and Horizontal fitment
- X-rated switch suitable for home appliances
- Fire-resistant Polycarbonate material to avoid hazards
- Dual tone colour combination for unique look
- Customized according to Indian climate (-10°C to 45°C)
