About Polycab India Ltd (PIL)

PIL is a leading Electricals brand with over Rs 88 billion revenue. PIL is the largest manufacturer of Wires and Cables in India and a fast-growing player in the FMEG space. PIL manufactures and sells various types of cables, wires, electric fans, LED lighting and luminaires, switches and switchgears, solar products, pumps and conduits and accessories. Polycab caters to various public and private institutions across a diverse set of industries, as well as retail customers through its B2C business. PIL has a strong a Pan-India distribution network of over 3,500+ authorized dealers and distributors who in turn supply our products to over 130,000+ retail outlets. Business operations are managed through a corporate office, 3 regional offices, 20 local offices across India and 30 warehouses located across the nation. PIL owns 25 manufacturing facilities, including a joint venture, located across the states of Gujarat, Maharashtra and Uttarakhand, and District of Daman. PIL puts strong emphasis backward integration of its manufacturing process and building inhouse research and development 'R&D' capabilities to adhere to various national and international quality certifications. PIL has also exported goods to over 40 countries in past few years.
